Covens in the Church: God's plan to change the world is under attack...from within. John Burton

My introduction into the reality of the spirit realm continued one day when I drove south from the campus in Baton Rouge for about an hour to the city of New Orleans. I had never experienced anything like this in my life. It was as if I was walking on the bottom of a swimming pool. I could actually feel the spiritual atmosphere. The spirit of witchcraft, though I didn't know what to call it at the time, was swirling around me like a whirlwind. The crushing heaviness that I carried day after day was more intense than ever. I felt sick. This indescribable oppression was the result of a massive strategy of the enemy, and I was in the very center of a nest of demons who had gathered to violently assault the church worldwide-all with the church's agreement. Covens In The Church is a teaching on control, spiritual authority and the advance of God's Kingdom.
