God's Great Time Clock The End Of The Age: 2016 - The Key Year in Prophecy - The Tribulation Begins Mr. Henry A. Rhyne

This is a short book with a ton of Revelation. This book gets right to the point explaining God's great time cycles and their connection to 2016 - the most important year on God's Time Clock. God has many different cycles of time (as we do). The Biblical pattern is that the longer the cycle, the greater the importance and impact. The greatest impacts happen when these cycles end. The end of these cycles signifies the end of one age and the start of another. Old things pass away and new things begin. Many of God's great gigantic cycles of time are ending in one specific year, 2016. In 2016 there is a convergence of huge cycles of time ending. 2016 is a year unlike any other. 2016 fits into all of God's great cycles of time, and the numbers behind those cycles in a way no other year does. These gigantic cycles connect 2016 in time back to the fall of Ancient Babylon, the time of Jesus Christ, Abraham, and back even further - to Genesis 6:3. It's important to understand the season we are in so we can be prepared. 2016 is the key year in Bible prophecy. 2016 will be the most eventful year since the time of Jesus Christ.
