FREE Audiobook Inside! The fluffy little Chloe loves to cuddle like a warm, cozy blanket (only it's summertime, so it's less comfortable than it sounds) as a rabbit cheerfully hops through the garden ... When does that happen? This is *great!* Save maybe sticking to my lounge chair. Ah, I see. When *does* that happen. Here she goes in 3, 2 ... Welcome another *very* different kind of dog book. I'll say it again, this is not some basic, made-up "Dan and his Dog" book written for preschoolers. My dog turned out to be the opposite of "puppy development". She behaved a little better when we first got her, as I tell the whole thing in my red journal I called *Prissy Little Chloe: Time of the Year*. Now that we got that out of the way, Prissy Little Chloe: Time of the Year is a Bestselling dog cartoon novel about my blonde Yorkie Chloe and all the trouble she gets herself into! This book in the series centers on how Chloe *always* wants to be the **center of attention**; she makes up her own rules everyday—and gets herself into a (literal!) **rut** running through the neighborhood—setting me on a (literal!) **wild goose chase**, *every single day*, without fail. She slips through the gate in the yard or runs through the door when she gets the chance and then runs across the street into peoples' backyard, homes ... or into their car. Chloe is a mischievous little puppy, as troublesome as she is precious. Come and see what she's been up to in these funny, oddball days of trying to handle this little golden Yorkie pup! From hilarious, to adorable - this cartoon novel is perfect to read together as a read-aloud or a first novel for junior readers to open all on their own! "Prissy Little Chloe is a humorous, helpful read for any youngsters who want a puppy of their own. It introduces children to the responsibilities of caring for a dog as well as the purely fun parts of dog ownership. Kids will enjoy the author's cartoon-like drawings of Chloe and the author's family, and the book even includes a chapter titled "How to Draw Chloe & Blue Bear in 5 Steps" for kids to try out their own drawing skills." Jim Chambers #3 Amazon Hall of Fame Top Reviewer Check out Prissy Little Chloe: Time of the Year for how I end up with a rambunctious little troublemaker for Christmas, after four years of begging for a puppy and her evolution from nice to naughty over the course of a few days! Featuring: • FREE Audiobook included told straight by the author! • New words to teach developing readers! • Fantastic coloring book (especially in print!) • 60 original cartoon illustrations! • BONUS how-to-draw Chloe!
