The 7 Steps to Passionate Love is a revolutionary guide for people searching to enrich their relationships with a more profound and intimate experience of love. It is a challenge to become a more sensitive person, a more intimate companion and a more effective communicator.

The 7 Steps to Passionate Love breaks all the rules of traditional relationship guides by treating causes rather than symptoms. Dr. William Van Horn bases his teachings on studies that he conducted in his medical practice. He is a brain specialist with an emphasis on developmental and emotional healing. After years of research, he concluded that true individual healing could only occur through the experience of intimacy and love. This led him to his research and work with relationships. Ten years and thousands of couples later, he shares the principles that transformed these relationships in The 7 Steps to Passionate Love.

Dr. Van Horn empowers you with specific steps to develop and maintain passionate intimacy and love in your relationships. He teaches you what it means to love your partner, how to assess your capability of love, what to do to be a better lover and what to do if the process is not working. You will also be taught an emotional and spiritual maturation process that is necessary for your development as a lover. When you finish reading The 7 Steps to Passionate Love, you will know exactly what you need to do on a daily basis to experience and maintain passionate intimacy and love in your life.
