The Shadow Light S R Pearl

Does Spiritual Warfare affect your everyday life? SR Pearl's fantasy fiction novel will compel you to ask yourself this very question... Someone is watching Michael and Amanda Bradley's every move. Who is behind the lies and deception? They had often wondered about the realm they could not see, but now they are face to face with the realities of the clash between the two worlds. Michael knew he shouldn't have come to his prestigious office at the World Trade Centre today, but now it is too late. He will need to get out, and fast. Amanda remembers the words she heard the week before as she passed by a funeral home, "Next week Michael will be there." In the midst of Amanda's hope and Michael's will to survive, a vivid spectacle is staged of the ongoing battle between the Kingdom of God, and demonic powers of darkness. In this story of conquest and tragedy, through a drama embedded in atmospheric imagery, there arises a message impossible to forget; the importance of walking in the Secret Place, "The Shadow Light."
