An Introduction to Working with Healing Crystals Brenda Hunt

The purpose of this short book is to introduce you to the basic principles of working with crystals. how you can choose crystals whether to choose polished or natural pieces where to keep them how to work with them to their healing properties and how to cleanse them. It is not intended to give you all information you will ever need. In fact, after working with crystals for almost 20 years, I'm still learning every day. It is intended as a short introduction to the basic information, the core information that you need to help you understand what crystal healing is all about.
