Do Tell!: Stories by Atheists and Agnostics in AA Roger C.

This book contains thirty stories – an equal number by women and men – by atheists and agnostics who tell us “what it was like, what happened and what it’s like now” as they made their way to a life of long-term sobriety within the rooms of Alcoholics Anonymous. Storytelling is the essence of AA. It is in sharing our “experience, strength and hope” in recovery that we are able to help others within our Fellowship. The diversity and richness of the stories contained in Do Tell! will no doubt be an inspiration and provide important support to nonbelievers within the often overly-religious fellowship of Alcoholics Anonymous.
