The Dark Sayings of Christ William James Barney

The dark sayings of Christ is based on an ancient Gospel thought to have been long destroyed during the early Christian struggle to define Orthodoxy. The book surfaced in 1945 at the Nag Hammadi Library (Nag Hammadi scriptures and the Gnostic Gospels). The book contains the secret teachings of Christ unto the apostle Thomas and provides the reader with the “necessary knowledge” to obtain or find the keys to immortality, (a treasure of knowledge that was believed by the early Pharaohs and Israelites to be true). The concept led thousands of pagans to convert to Judaism. The root source of this belief came from the teachings of fallen angels and the early scripts of Adam, Enoch and Moses yet its mysterious teachings were restored to their integrity by Jesus Christ.
