UFO Crash Retrievals: The Inner Sanctum - Status Report VI Leonard H. Stringfield

Leonard Stringfield was born in 1920. He was director of CRIFO (Civilian Research, Interplanetary Flying Objects) - one of the world's largest research groups during the mid-50s, and publisher of its newsletter, ORBIT (1953-1957).

He also worked in cooperation with the United States Air Force (1953-1957), investigating and reporting UFO activity, having been assigned a special code number for reporting to the Air Defense Command in Columbus, Ohio.

For over 30 years, Stringfield served in several of the major UFO organizations in a public relations capacity. From 1957 to 1970, he was public relations adviser with the National Investigations Committee on Aerial Phenomena (NICAP). Later on, he was Director of Public Relations and a board member of the Mutual UFO Network (MUFON). He was also a regional investigator for the Center for UFO Studies, directed by Dr. J. Allen Hynek.

Stringfield was an executive with DuBois Chemicals, an international manufacturer. Stringfield retired in 1981 as Director of Public Relations and Marketing Services for DuBois Chemicals, a division of Chemed Corp., after 31 years service with the company.

From 1967-1968 he served as Early Warning Coordinator for the University of Colorado UFO Project, screening UFO reports for possible scientific study.

Stringfield was also an advisor to Sir Eric Gairy, former Prime Minister of Grenada, 1977-78, during his efforts to establish a UFO research agency within the framework of the United Nations.

Stringfield passed away in 1994, leaving a string of fascinating publications behind, one of which is "UFO Crash Retrievals: The Inner Sanctum - Status Report VI," written not long before his death. It is filled with interesting details about a number of major UFO cases, including Roswell and Kecksburg.

From reader reviews:

Catherine Riddle:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? All people has many questions above. They have to answer that question due to the fact just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this specific UFO Crash Retrievals: The Inner Sanctum - Status Report VI to read.

Treva Ritter:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining including comic or novel. Typically the UFO Crash Retrievals: The Inner Sanctum - Status Report VI is kind of guide which is giving the reader erratic experience.

Marlyn Melia:

Precisely why? Because this UFO Crash Retrievals: The Inner Sanctum - Status Report VI is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.

Janice Smith:

Is it you who having spare time then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This UFO Crash Retrievals: The Inner Sanctum - Status Report VI can be the reply, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these ebooks have than the others?
