The believer in the Lord Jesus Christ must not be satisfied with a shallow knowledge of the Scriptures. This commentary is designed to help the student of Scripture gain a mastery of the Book of Acts so that its content may master his soul and make him a better witness to the power of Jesus Christ. Dr. Stewart Custer is convinced that the key to understanding the Book of Acts is faith in the verbally inspired text of God's holy Word. From this perspective he has written a trustworthy tool that is scholarly yet practical, that is comprehensive without being cumbersome, and that remains doctrinally sound.
