## Bruce Davidson: Black and White

*Black and White* is the definitive collection of Bruce Davidson's black-and-white photography, spanning a period of 40 years. This collectable five-volume set comprises reprints of classic books of Davidson's poignant imagery, some of them newly edited and expanded. The seminal bodies of work are *Circus* (1958), an intimate portrait of a dwarf clown; *Brooklyn Gang* (1959), depicting a group of troubled youths; *Time of Change* (1961–1965), a civil rights documentation in America; *East 100th Street* (1966–1968), showing life on one block in Spanish Harlem; and *Central Park* (1992–1995), exploring layers of life in New York's famous urban oasis. *Black and White* is a tribute to Davidson's unique photographic achievement and a powerful document of social change.
