Death and Afterlife: A Theological Introduction Terence Nichols

Many people fear dying and are uncertain about life after death. In this engaging book, a Catholic theologian addresses perennial human questions about death and what lies beyond, making a Christian case for an afterlife with God. Nichols begins by examining views of death and the afterlife in Scripture and the Christian tradition. He takes up scientific and philosophical challenges to the afterlife and considers what we can learn about it from near death experiences. Nichols then addresses topics such as the soul, bodily resurrection, salvation, heaven, hell, and purgatory. Finally, he addresses the important issue of preparing for death and dying well.
