Emotional Affairs: The Heart Doesn't Know Not To Love O R Finley

Olivia Anderson seemed to be a “preacha magnet”. She was the positive to their negative. All she wanted was to plant herself in a good Bible based church where she wouldn’t be noticed, get her a good preached word, and go home. For a whole year, she did just that at New Dimensions Holy Faith Ministries Church. Now, three years later, she’s caught up in love triangle that can only end in one of three ways; good, bad, or ugly. Maison Truman, the charismatic founder and Senior Pastor of New Dimensions Holy Faith Ministries has a taste for sexy, thick, beautiful women. His handsome features alone is enough to pull in any woman he desires but it’s his God given anointing that attracts the women more than anything. With both women and men constantly throwing themselves at him, he can easily seek out whom he want to devour, but he only has his eyes set on one, Olivia Anderson. He will never forget the day she walked into his sanctuary. Her aura was like a pheromone. She was poison but he had to have her, and once he did, he wouldn’t let go until he grew tired of her. But he has some secrets that can not only destroy his church but also the lives of those involved. Will the “others” lay dormant as he pursue his private affairs while holding his church together? Derron Washington is the real deal. He doesn’t play with God and doesn’t condone any preacher or Pastor who does. God and ministry is his life and he planned to keep it that way. But something was missing. That missing part came in the form of the very beautiful Olivia Anderson. He had complete trust and confidence in his best friend Isaiah when he came to him with a prophetic word from God. He knew God didn’t make mistakes but he couldn’t help but to question Him about this woman. He wasn’t perfect but neither was he willing to share her with another man. Every black church has a Mother’s Board or church mothers. New Dimensions was no different. These older, more “seasoned” women are considered the pillars of the church. Church mother’s Dola Mae Hutchins and Jody Pearl Smith knew Olivia would be trouble the first day she stepped foot into the church. See, God had gifted both women with the spirit of discernment and they would not let the enemy tear this church apart. They would pray Olivia through, one way or the other, even if it meant revealing their own infidelities. The devil will not win.....again. Emotions are stemmed from the affairs of the heart. Emotional Affairs will take you on a truth that can only be told by those involved.
