Hospice Care Principles and Practice: The Springer Series on Death and Suicide [Volume Five] (Guidelines for Care of Dying and Chronically Ill Persons) Charles A. Corr Ph.D., Donna . Corr RN BSN

This comprehensive resource for caregivers and students presents guidelines for care of dying and chronically ill persons, addressing the complex needs of these patients, their families, and the practitioners attending them. Contributors include North American and British professionals in the hospice movement from the fields of nursing, medicine, pharmacology, physical therapy, occupational therapy, social work, psychotherapy and religion. Featured are chapters on: management of pain and other distressing symptoms; education and training; staff stress and staff support; grief and operating a hospice bereavement program; home grief, inpatient, and day unit hospice services; the hospice movement and its future.
