Scenario Designer's Handbook (2nd Ed.) Michael Dorosh

Scenario Designer's Handbook (Isbn 9780978264680) is intended as a reference for those interested in designing historical scenarios for the Advanced Squad Leader game system. The book features 240 fullcolour pages with a variety of information to assist in force and terrain selection, including company, battalion and divisional breakdowns of the major armies that participated in the Second World War. Additional chapters deal with scenario layout, publishing, researching, walkthroughs of the design process and discussion regarding the various components of Asl scenarios. The 2nd Edition includes an improved layout, additional information on various forces (Chinese, Finns, etc.) and revised appendices with updated map and overlay listing. Note the "discount" price on Lulu is the actual list price this will not change.
