The tests a golfer faces on the course are the direct result of the challenges originally faced by the golf course architect, whether they're complicated terrain, forces of nature, budget limitations, demanding developers, or the difficult task of balancing the practical scientific needs of a golf course with the architect's creative instincts.

Secrets of the Great Golf Course Architects offers readers behind-the-scenes tales from America's master architects themselves in their own words. Elite designers such as Tom Fazio, Jack Nicklaus, Pete Dye, Rees Jones, Robert Trent Jones Jr., Arthur Hills, Arnold Palmer, and others share their personal anecdotes related to the creation of some of the world's most famous courses: from run-ins with snakes to bulldozers sinking in quicksand, to holes created by accident, such as the famed island green seventeenth at the TPC at Sawgrass.

Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team.

In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
