Viola in the Spotlight Adriana Trigiani

I am in the midst of a conundrum.

Viola is finally where she belongs—back home in Brooklyn, where there are no khakis or sherbet-colored sweaters and people actually think her yellow flats are *cool*. But her best friend, Andrew, has started acting weird around her, and a new boyfriend has her friend Caitlin ditching her every chance she gets. Although Viola gets an internship on a Broadway show, nothing else is going as planned. When her roommates from Prefect Academy show up for a visit, Viola starts to wonder—is Brooklyn where she wants to stay? And when a tragic event shakes everyone's world, Viola realizes it's not where she belongs that matters—it's who she's with that really counts.

In this heartwarming follow-up to bestselling author Adriana Trigiani's teen debut, *Viola in Reel Life*, Viola just may be ready to get out from behind her trusty video camera and take the starring role in her own life.
