“179+ Emergency Cold Weather Survival Tricks And More” is designed to educate and familiarize you with international survival applications, techniques, and tricks to survive killer cold weather where others have failed and became more 'dead statistics.' In this book you'll learn real survival tricks from the REAL SURVIVORS (Native American Indians, Prisoners Of War, mountain men, pioneers, critters,...) from around the world and throughout history. When hypothermia starts to overtake your body - you're surely doomed, sure death is near for you and those under your care. But you don't have to be another dead statistic cause you're learning from the REAL SURVIVORS who lived to see another day. And those that failed, you'll learn from their last mistakes on this Earth. “179+ Emergency Cold Weather Survival Tricks And More” is designed to ensure you and those under your care see the next day!
