SCHEMES, Scams, Shams, and FlimFlams. Now you won't have to wait for the TV series to hit HBO. Here's a fascinating—often times hilarious—compilation of insurance fraud cases, some so outrageous, so utterly bizarre and crazy, you'll have a hard time believing them. But it's all true—direct from the private, confidential files of the nation's top investigator. It's the best of the best cases Delaney has handled. There isn't a scheme, scam, sham, or flimflam that the author hasn't dealt with over his thirty-plus year career of both investigating insurance claims and advising on settlements. But through it all, Delaney's reputation for scrupulous honesty and fairness has won him the trust (and accolades) of everyone: insurers, claimants, and the courts. Here is an insider's account you won't want to miss.
