The first volume of a two part set on the history of the Galician Division is based on over 25 years research by accomplished historian Michael James Melnyk who has sourced additional new and hitherto unseen original material on all aspects of the Division's history from archives and private collections in Europe, Australia, North American and Canada. Complemented by the individual accounts and contributions of many veterans which add an engaging personal dimension, this new definitive two volume account supersedes his earlier divisional history published in 2002.
