Travel Trailer & Fifth Wheel Comparison Guide Randall Eaton

In-stock and newly updated for 2016! The Travel Trailer & Fifth Wheel Guide has been the first choice for RV buyers for over ten years now. Inside you'll find detailed and easy-to-read articles on the top manufacturers in North America, rating charts and comparisons, as well as in-depth chapters focusing on recommended construction techniques and materials -as well as those to avoid. Now reporting on over 96% of the top manufacturers in the U.S. and Canada, with helpful facts and insight you won't find anywhere else, the updated guide covers Fifth Wheels, Travel Trailers, and Toy Haulers. Each article contains information in these key areas: ? Company background and history ? Principle target customer ? List of best-selling models ? Company's main competitors ? Average MSRP of best-selling models ? Financial stability of company -including those who have recently filed for bankruptcy protection ? Rating charts which show how each manufacturer is performing over multiple years. (These rating charts are very important and reveal if a particular manufacturer is trending upward or downward in quality, customer satisfaction, factory support and overall resale value of models.) ? Objective comments from research staff. As an independent research organization, we accept no kickbacks, gratuities or any other form of financial compensation from the RV manufacturers we cover. This approach has enabled us to deliver unbiased and highly informative reviews that have helped thousands of RV buyers over the years to buy the best RV for them -the first time. Our tips, tricks and things to look for and avoid will make you an industry insider in no time -and could save you thousands.
