Treasure Island

Robert Louis Stevenson

Treasure Island Robert Louis Stevenson

Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold". First published as a book on May 23, 1883, it was originally serialized in the children's magazine *Young Folks* between 1881–82 under the title *Treasure Island or, the mutiny of the Hispaniola* with Stevenson adopting the pseudonym Captain George North. Traditionally considered a coming-of-age story, *Treasure Island* is an adventure tale known for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality — as seen in *Long John Silver* — unusual for children's literature then and now. It is one of the most frequently dramatized of all novels. The influence of *Treasure Island* on popular perceptions of pirates is enormous, including treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen carrying parrots on their shoulders.
