When Maine game warden Mike Bowditch is tasked with shooting wild boars that are tearing up the forest and farms in his district, he makes a horrific discovery?the body of a baby buried in a shallow grave. Even more disturbing: DNA tests link the infant to a young woman who has been missing and presumed dead after she disappeared from a group rafting trip four years earlier.

As he assists the reopened investigation, Bowditch begins to suspect that some of his neighbors aren't who they seem to be. When violence strikes close to home, he realizes that his unknown enemies will stop at nothing to keep their terrible secrets. Mike Bowditch has bucked the odds his whole career, but this time the intrepid warden may have finally followed his hunches one step too far.
