Harold is unlike any other fox. He hates eating chicken, for one thing. He much prefers reading detective novels. When Harold's father challenges him to catch a chicken as part of his initiation into adulthood, Harold is faced with a dilemma—should he obey his father and endanger the chicken's life, or do what his heart tells him is right?

The latest title from award-winning illustrator Claudia Boldt, *Outfoxed* introduces a smart, independent-minded character in Harold the fox and is sure to become a bedtime favorite.
