Palette 03: Gold & Silver Viction Workshop

The third volume in Victionary's upcoming Palette series, Gold & Silver Metallic Graphics features the most deluxe and innovative design projects using gold and silver foil printing.

Whether for artistic effect or sumptuous appeal, this is one of the most effective design techniques to entice the beholder through stimulating visual and tactile elements.

The result of a dedicated international search for innovative print techniques, design projects, and installations, Palette 03: Gold & Silver presents a realm of visual culture where gold and silver accents claim a principle position in order to underline ideas and boost sensations.

With a wealth of both two-dimensional and three-dimensional design projects, this book guides you through the use of metallic print techniques to create a fresh perspective on the world.
