## Routledge Handbook of Football Studies (Routledge International Handbooks)

Football is unquestionably the world's most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football's governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political and economic life. The *Routledge Handbook of Football Studies* is a landmark work of reference, going further than any other book in considering the historical and contemporary significance of football around the world.

Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics and business, to philosophy, law and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance and ownership, fandom and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations, from UEFA to CONCACAF.

This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy-maker working in football.

#### **Virgie Haynes:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Routledge Handbook of Football Studies (Routledge International Handbooks) can make you experience more interested to read.
