Student Survival Kit: An Essential Guide for New Christians Ralph W. Neighbour Jr.

Student Survival Kit by **Ralph Neighbour Jr.** is a classic resource for new Christians and has, with the same trusted content, been re-designed for this generation of students with a new, culturally relevant look. As students move beyond their critical decision to trust Jesus for eternal life, they will explore topics like sin, doubt, and sharing their faith as they encounter five specific stages in their walk with God:

- Excitement
- Fighting
- Doubting
- Panic-search-for-truth
- The silent Christian stages

Also helps students learn the basics of growing in Christ — establishing a quiet time, learning to pray, and learning to study the Bible and use it as a tool for growth. Equip your students to survive and thrive as they walk with God! (11 sessions)
