## **Success in Commerce (Success Studybooks)** Derek Loble

This is the international student edition of a text which provides a clear guide to the world of commerce - the processes involved, the organizations concerned and the documents used. This is the revised and updated fourth edition. The book is intended for the use of those on GCSE Commerce courses, for those taking Pitman Examinations at Elementary Commerce stage, for those on London Chamber of Commerce courses (Elements of Commerce, first level) and for those on RSA Background to Business courses. This edition incorporates recent developments in retailing, credit regulations and consumer protection; explains the implications of EC policy for trade and transport; and presents the effects of the recent large-scale privatizations and major changes in the world of financial services.
