The Green Pope Miguel Asturias

Loosely based on the history of the United Fruit Company in Guatemala, Asturias presents us with characters from the multiethnic mix of central america. The Green Pope is a banana mogul who falls in love with a Guatemalan girl, but she disappears, either drowning herself in the river or joining the anti gringo underground. A gringo couple dies in a storm and astonishes everyone by bequeathing their banana-rich land to two Guatemalan families. The family members deal with this in different ways.
