What if Time Travel were possible? Would one be able to return in time to correct a mistake that he made the first time? Wizards have held the secret to Time Travel forever, but there is great sacrifice in order to do so, and is the reason no one tries. Kaitlan, Sarah, Anita, and Lynne must defeat Zanack any way possible using their Elements and a sacrifice so awful, it requires everything they have. One secret is left for Kaitlan to find that will cause her to sacrifice more than any other in history - something she knows she can't possibly do! But, if she can't, Zanack has already won. According to the Scroll of Time, any changes made would cause everything to be changed in time, and could easily destroy the Earth. But, how would it change? Zanack is willing to pay the price and the sacrifice for others he will use to find a way back in time. Kaitlan, and only Kaitlan, has to find a way to use the power that she must wield to defeat him. But, the terror of doing so scares her to death! If she can't find the courage, then all will be lost, and Zanack will bring about an Earth of death and blood for all.
