## **The Wisdom of Solomon (Cambridge Bible Commentaries on the Apocrypha)** Ernest G. Clarke

The aim of this series is to provide the text of the New English Bible closely linked to a commentary in which the results of scholarship are made available to the general reader. Teachers and young people have been especially kept in mind. The commentators have been asked to assume no specialized theological knowledge, and no knowledge of Greek and Hebrew. Bare references to other literature and multiple references to other parts of the Bible have been avoided. Actual quotations have been given as often as possible.
