Bernardi lives with his grandfather, Babu, who supports them by making toys. Bernardi wishes he could go to school, but they can't afford it. When a tourist offers a handsome price for the music box Babu gave him as a present, Bernardi regretfully sells it, giving the money to Babu. Babu uses the money to pay for his grandson's school, and he starts working on a new music box. The book's sensitive text and endearing illustrations capture the tender relationship between a child and his grandfather. Stephanie Stuve-Bodeen is an award-winning author.
