Never Ending Martyn Bedford

A suspenseful tragedy laced with romance, *Never Ending* will take you from the past—a steamy vacation in Greece that’s cut short by the unfathomable—to the present—a lake-side clinic stay—to the truth in between.

“What do you deserve, Siobhan?”

“I don’t deserve to forget he’s dead. Even for a moment.”

“I asked what you do deserve, not what you don’t.”

“I deserve not to be forgiven.”

Shiv's brother Declan, her best friend, is dead. It's been all over the news. Consumed by grief and guilt, she agrees to become an inpatient at the Korsakoff Clinic. There she meets Mikey. Caron. The others. They share a similar torment. And there, subjected to the clinic's unconventional therapy, they must face what they can't bear to see.

Shiv is flooded with flashbacks, nightmares, haunting visions of Declan on their last, fateful family vacation in Greece. And with memories of Nikos, the beautiful young man on the tour boat. It started there, with him, beside the glittering sea . . . the beginning of the end.

“The characters and the scenery are rendered with such photographic precision that readers will feel as though they’re watching a film.” —*Kirkus Reviews*, Starred

“Bedford skillfully pushes and pulls at the reader’s emotions while carefully revealing the details of the backstory and the aftermath until the two converge.” —*Booklist*, Starred

“Part-mystery, part-romance, and part-disturbing portrait of how fragile the human psyche can be, this novel is provocative and not for the faint of heart.” —*SLJ*

From the Hardcover edition.

From reader reviews:

Virginia Gauvin:

The book Never Ending can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Never Ending? Several of you have a different opinion about reserve. But one aim which book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or facts that you take for that, you can give for each other; you may share all of these. Book Never Ending has simple shape but you know: it has great and big function for you. You can search the enormous world by available and read a reserve. So it is very wonderful.

Sarah McClain:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question because just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this kind of Never Ending to read.

Lori Whitten:

This Never Ending are usually reliable for you who want to be a successful person, why. The reason of this Never Ending can be among the great books you must have will be giving you more than just simple looking at food but feed you actually with information that probably will shock your before knowledge. This book is handy, you can bring it almost everywhere and whenever your conditions in e-book and printed kinds. Beside that this Never Ending giving you an enormous of experience for example rich vocabulary, giving you demo of critical thinking that we realize it useful in your day action. So , let's have it and enjoy reading.

Lori Gonzales:

What is your hobby? Have you heard in which question when you got scholars? We believe that that problem was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as reading through become their hobby. You must know that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you go onto be your object. One of them is Never Ending.
