**The Raga-Ness of Ragas: Ragas Beyond the Grammar** Deepak S. Raja

This book is a systematic and contemporary exploration of the uniquely Indian phenomenon of raga, which forms the foundation of the musical culture of India. Maestros speak with total conviction of a raga as having a personality. A raga must therefore be viewed not only as the governing authority of musical performance, but also as an archetype pregnant with cultural meaning. The exploration of raga-ness, therefore, can begin with the grammatical coordinates of ragas, but cannot stop there.
