A girl with an attitude problem.

A monster fighting a battle within.

A hero refusing to stand down.

They call her The Black Kat. Dangerous and defiant, she's a force to be reckoned with. Before the Project, she was just a sarcastic teenage girl. Now, everyone is afraid of her. Now, she's the only thing standing between a madman and the world. Now, Richard Glass wants her dead and she may be the only one who can stop his Invincible Project.

Of course, it's not called the Invincible Project for nothing.
