David Hirst

Beware of Small States: Lebanon, Battleground of the Middle East David Hirst

Lebanon, a country no bigger than Connecticut, has become a battleground for the political, strategic and ideological conflicts of its neighbors and the great powers. It has come to reflect the broad historical experiences of the modern Middle East. *Beware of Small States* is an elegant and incisive history of Lebanon culminating with the 2006 war between Israel and Hezbollah and its aftermath. David Hirst—a former Middle East correspondent for *The Guardian*, whose tough, skeptical voice has earned him death threats and seen him banned from six Arab countries—crafts a narrative that is essential for anyone wishing to understand the current political climate of the Middle East.
