Draupadi: Fire-Born Princess: Campfire Mythology Line (Campfire Graphic Novels) Saraswati Nagpal
A mysterious prophecy resounds, and the bewitchingly beautiful princess Draupadi arises from the sacred fire in Panchala.

Draupadi the princess is in love with Arjuna, the Pandava prince. But fate weaves strange events, and Draupadi finds herself wedded to five men--Arjuna and his four Pandava brothers. Draupadi's life is complicated further by the Kauravas--her husbands' wicked cousins--who try everything in their power to harm her and the Pandavas. As the fiery princess Draupadi's terrible destiny begins to unfold, she goes from majestic queen with five warrior husbands to a poor servant girl. Evil waits around every corner and a terrible war looms overhead. Will the impulsive Draupadi brave the humiliation destiny has written for her? Will she lose everything she has loved?

Adapted from the ancient Indian epic, the Mahabharata, this is the story of an astonishingly outspoken woman, who is abandoned at every turn, and forced to make the difficult choice between revenge and compassion.
