Every Night Is Ladies' Night: Stories Michael Jaime-Becerra

In *Every Night Is Ladies' Night*, we are given a rare glimpse into a world created by the imagination of one of America's most promising authors.

This brilliant debut collection of interrelated stories presents a portrait of a community whose members seek their own place beyond their immediate, physical world. The cast of recurring characters Jaime-Becerra has expertly created rings true: people whose hands show signs of hard work, who are optimistic enough to want to dance even if their feet are tired, and who go to bed at night and know just how long they are allowed to sleep before the obligations of their next day begin.

From a teenage boy who lives in the shadow of his wild Goth sister, to a race car driver hot after the Mexican beauty queen of his dreams, to Grandpa Lopez, an on-the-road trucker who surprises his family by showing up for his granddaughter's wedding only to peel away with her dress on the day of the ceremony, readers will wholeheartedly engage themselves in Jaime-Becerra's vibrant, literary universe.

Michael Jaime-Becerra shines a warm light on mechanics and musicians, on drivers of ice cream trucks and big rigs, on kids busy marking themselves with tattoos; he allows readers a unique vantage as the characters fall in love, make ends meet, and try to outlast their pasts. To help his characters negotiate the obstacles life places before them, Jaime-Becerra draws upon an attentiveness for rich, tender detail tempered by a masterful subtlety. These qualities suggest the talent of an author who is equal parts artist and craftsman. More important, they have resulted in a collection that is universal and stunning.
