Positive school culture is at the heart of effective teaching and learning. As such, improving a school's culture is a critical component to school transformation. This resource provides school leaders with a concrete professional development plan for staff and students designed to eliminate power struggles in order to improve school culture. The author provides six alternatives to power struggles. The six are then applied to a series of vignettes that provide specific examples of how power struggles play out in your school setting and how they can be avoided. From power struggles in the classroom, to power struggles with parents your school team will be better equipped to handle the nuances of all of the relationships that are at the core of your school culture.
