William Schnabel

Les Années soixante (French Edition) William Schnabel

Cette nouvelle édition des Années Soixante, revue et augmentée, approfondit l'épopée historique et culturelle de cette décennie turbulente qui a écorché la société américaine marquée au fer rouge par la guerre froide et la menace quotidienne d'une apocalypse nucléaire, la guerre du Vietnam, les assassinats politiques, la lutte farouche et sans compromis pour la liberté d'expression et les droits civiques, l'essor d'une contreculture implacable et radicale ainsi qu'une intoxication médiatisée de la société de consommation, sans oublier les personnalités inédites des multiples mouvements artistiques.
