**Nonsense! Said the Tortoise** Margaret J. Baker

Margaret J. Baker began writing children's books in 1948 and published her first book, Nonsense Said the Tortoise, in 1949. This book was also the first in a series of books about a talking, intellectual tortoise named Homer.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
