## **Ody-C: Cycle Vol. 1** Matt Fraction

ODY-C, modeled after Homer's *Odyssey*, is a psychedelic, gender-broke science-fiction epic that tells the story of three legendary warrior-queens, Odysia, Ene and Gamem, returning home after a centuries-long battle. Told in verse with a visual sensibility that redefines the very possibilities of the comics medium, this gloriously oversized hardcover also has exclusive bonus materials including essays by classicist Dani Colman, teaching aids, and a massive 10-page fold-out previously only available in the sold-out first issue. "FRACTION and WARD are doing wildly imaginative work combining fantastic Greek mythology with futuristic science fiction, and the book has a visual sensibility unlike anything else on the stands."— A.V. Club

Collects ODY-C #1-12.
