Born on the Edge of Race and Gender: A Voice for Cultural Competency Willy Wilkinson

In this historic moment of transgender visibility in the U.S., writer, activist, and public health consultant Willy Wilkinson's *Born on the Edge of Race and Gender: A Voice for Cultural Competency* uses the power of storytelling to contextualize one of the most misunderstood social issues of our time. This poetic, journalistic memoir shines an intersectional beacon on the ambiguity and complexity of mixed heritage, transgender, and disability experience, and offers an intimate window into how current legislative and policy battles impact the lives of transgender people. Whether navigating the men's locker room like a "stealth trans Houdini," accessing lifesaving health care, or appreciating his son's recognition of him as a "transformer," Wilkinson compellingly illustrates the unique, difficult, and sometimes comical experiences of transgender life.

A seasoned public health consultant and cultural competency trainer, Wilkinson provides practical tools and resources to help community health organizations, educational institutions, and businesses create LGBTQ- and trans-affirming systems. Innovative, moving, and accessible, this multifaceted memoir explores the liberation of finding one's voice in a world that prescribes silence, and offers a fresh look at ways to systemically affirm diversity throughout society.
