## **Generation Dead: Passing Strange (A Generation Dead Novel) Daniel Waters**

Karen DeSonne is used to pretending to be something she's not. All her life, she's passed as a normal all-American teenager; with her friends, with her family, and at school. Passing cost her the love of her life. And now that Karen's dead, she's still passing – this time, as *alive*.

Meanwhile, Karen's dead friends have been fingered in a high-profile murder, causing a new round of anti-zombie regulations that have forced nearly all of Oakvale's undead into hiding. Karen soon learns that the "murder" was a hoax, staged by Pete Martinsburg and his bioist zealots. Obtaining enough evidence to expose the fraud and prove her friends' innocence means doing the unthinkable: betraying her love by becoming Pete's girlfriend. Karen's only hope is that the enemy never realizes who she really is – because the consequences would be even worse than death.
