Put a Ring on It: A Novel (Zane Presents) Allison Hobbs

From the bestselling author of *Double Dippin'* and *Big Juicy Lips*—a story about three friends with three different paths to the same goal: a husband, despite the dismal odds.

Desperate to be married, Vangie, Nivea, and Harlow are all on a quest to get to the altar. Dumped by her economically challenged fiancé, Nivea begins a destructive course of action, as she begins to self medicate with excessive amounts of liquor.

When Vangie's deadbeat baby daddy resurfaces and begins courting her with unrestrained zeal and spending quality time with their young son, she thinks that they have finally healed their troubled relationship.

After a horrifying childhood, Harlow believes she has finally found true love when she becomes engaged to savvy businessman, Drake Morgan. But Drake may have a secret that will destroy Harlow's only chance at happiness.

Though holding distinct views and relying on diverse strategies, will any of these women find love, happiness, and commitment or will they discover that happily ever after is an unattainable dream?
