Birthday Swap

Loretta Lopez

Birthday Swap Loretta Lopez

It's the day before her older sister's birthday, and five-year-old Lori is determined to find her own gift to give. This year, Lori decides, she doesn't want to sign her name to everyone else's present. But it's not easy shopping for the perfect gift. Even though Lori knows what she would want, none of the wonderful things she sees at the Mercado seem quite right. Little does Lori know that the best, most perfect gifts sometimes come to us when we least expect them.

In this warm-hearted tale about the joys of giving and receiving, Loretta Lopez celebrates family love and togetherness through her affectionate prose and fun, colorful illustrations.

From reader reviews:

Ronald Hill:

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with education books but if you want experience happy read one having theme for entertaining such as comic or novel. Often the Birthday Swap is kind of e-book which is giving the reader unforeseen experience.

Dwight Bailey:

Reading a book being new life style in this yr; every people loves to read a book. When you examine a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, along with soon. The Birthday Swap offer you a new experience in studying a book.

Steven Green:

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Birthday Swap can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?

Peter Lombard:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book has been rare? Why so many problem for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and Birthday Swap or others sources were given understanding for you. After you know how the great a book, you feel need to read more and more. Science e-book was created for teacher as well as students especially. Those books are helping them to increase their knowledge. In some other case, beside science guide, any other book likes Birthday Swap to make your spare time much more colorful. Many types of book like this one.
