Breaking Satanic Bondage: Intensive Training in Spiritual Warfare Gil Stieglitz

Our postmodern world is finally ready to move beyond materialistic rationalism and admit the existence of the supernatural world -- both good and evil. **It is time for Christians to understand how to win in spiritual warfare.**

Demons were thought to be a dead issue but as sin and immorality have increased, the presence and impact of wicked spirits have become more evident. Today, Christians view demons as invaders who come to pillage the lives of largely innocent people. It is better to understand Christian deliverance as fumigation or pest control. Everywhere there is moral decay, there will be spiritual maggots, cockroaches, and rodents to consume that evil and try and create more. Our choices either promote spiritual life or spiritual death. Christ came to promote spiritual life and freedom.

Learn about the spiritual battle and how to win. Christ has already equipped us to win and help set others free. If you want to learn how to use the power of Christ to be free, then this book is for you. Christians in the early church knew how to act in the midst of the spiritualism of their day. **Learn what you need to know about applying the tools, methods, and power of Christ to defeat sin, wickedness, and evil supernaturalism.** ?This book provides explains how.
