Traditionally, Christmas decorations were always handmade using materials that could be found around the house and gleaned from nature. And it's still immensely satisfying to make your own. Children love to help, and making decorations and gifts is a wonderful way to fill the days of anticipation. You'll find most of the projects in this book require only the most basic skills, so everyone can have a go with guaranteed success! The joy of Christmas decorations is that they're not meant to be masterpieces. They're fun, they're quick, they can even be kitsch, but en masse, they're always beautiful. This book has 35 projects and ideas to get you started, all with full-colour step-by-step instructions and helpful techniques - use them, adapt them, develop your own. Because when it comes down to it, the best of home-made is that it's an expression of yourself.
