Katie's Choice : A Novel Tracey Langford

Katie's Choice is a story about a girl named Katie and her unmarried mother Daria, who has had hard times all her life. Katie gets pregnant in high school and Daria pressures her to get an abortion. Katie meets with a nurse in an abortion clinic and speaks to a counselor at a pregnancy resource center. She decides abortion is her best choice.

As Katie attempts to move on with her life, though, her past continues to haunt her. She thought she was choosing freedom and a future; but shame and regret haunt her and keep her inner life a closed book - even to the man who falls in love with her. Truth pursues Katie, though, until her defenses finally crumble.

This moving tale of redemption chronicles an emotional journey out of self-loathing and spiritual denial into hope and life-changing love.
