Oops Arthur Geisert

Oops! One morning, while a pig family was sitting down to breakfast, a little milk spills to the floor. That shouldn't be any problem at all! And it wouldn't, except that the milk seeps through a crack in the floor and drips down to the workshop below onto a tray that tips and flips the switch on the grinder whose spinning wheel catches the loose end of a clothesline which gets wound around the leg of a table saw . . . and that is just the beginning of a series of chain reactions that lead from a little spill on the table to a giant boulder in the breakfast room! With each disastrous step depicted as only Arthur Geisert could, a seemingly ordinary incident spills out of control. They say you shouldn't cry over spilled milk, but what if it destroys your whole house?
